CLASS DESCRIPTIONS

Belly Dancing: open to all levels of fitness and all levels of Belly Dance experience. They are perfect for anyone who wants to improve their fitness, both aerobically and muscular conditioning. Learn to build posture and foundation from the ground up in a safe and strong manner as well as basic belly dance movements through developing a mind/body connection, with muscular isolations of belly dance; all while building a strong core and endurance for this beautiful folkloric dance. You'll build on the basics with fun combinations so they can dance on the very first day. Students *may walk in human, but they'll leave feeling like a goddess -- Empowered, healthy, strong, and of course beautiful!*

Body tone: Full body resistance training for all age groups and abilities. You'll perform exercises using mats, dumbbells, and bodyweight to tone your body from head to toe!

Core Conditioning: A 30 minute abdominal and back strengthening class that will improve the endurance and development of your core muscles.

Dance Club Fitness: When the night clubs meet fitness! This class is designed to get participants motivated to exercise through dancing to popular music. It takes advantage of the physical & mental benefits of night club dancing all while burning calories, working major muscle groups, and having fun!

Fat Burning Cycle: Scientific research has shown interval training to be the most effective for increased cardio vascular fitness and better fat burning. Intervals will vary in duration, depending on which energy system is targeted for that day. Prepare to give 100% effort.

Gentle Yoga: This is Hatha Yoga with a focus on alignment to build strength, increase flexibility and move energy through the body. Perfect for the beginner, returning yogi, injury recovery or anyone who would like a slower, focused practice.

Hatha-Raja Yoga: This beautiful meditative yoga is practiced in the traditional way of Sri Dharma Mittra. Focus on yoga poses, breathing and meditation. (90 min)

HIIT (High Intensity Interval Training): A quick high intensity 45 minute calorie blasting workout. Each class will have a balance of strength and cardio exercises completed in timed intervals

INSANITY™ is a cardio class, based on max interval training. This class will push you past your limits with athletic drills mixed with intervals of strength, power, resistance, and core training. Every person's high intensity is different from everyone else in class. Time to dig deep!

Pilates: Did you know that Pilates exercises can help seniors improve both mobility and balance? In the spirit of Joseph Pilates, a mind body class that focuses on strengthening the core to build a strong base. Kind of like taking your Ferrari in for a tune-up before you race it around the track.

Power Core: Build strength from the core, out! Fast paced, high energy class using a variety of exercise equipment. Never the same routine!

Pre-Natal Yoga: In prenatal yoga we will safely explore poses to build strength, work with flexibility, and support your ever-changing body. Breath practice will be integrated to find ease and calm the mind as you prepare for birth. We will also address common pregnancy discomforts as well as benefits for baby and you. All classes will end with relaxation time. All levels, trimesters and partners are welcome to attend.

SPIN: This short super high intensity class is for all levels. Blast away calories with high energy spinning drills, interval training, and strength rides. Great cardiovascular workout simulating a variety of hill climbs, flat roads, and sprints to upbeat tunes. This class is for all fitness levels Bring towel and water bottle. BIKES ARE LIMITED.

Train Tactical: An intense blend of strength, cardio, and speed/agility exercises utilizing equipment such as tires, battle ropes, sandbags, kettlebells, and TRX trainers. Each class will start with an effective warm-up and move on to an intense work out, and then a cooldown/stretch. This class is meant to challenge individuals and improve overall athleticism. (workout location may vary)

TRX Training: New to the TRX and just getting started? Start with this simple TRX workout as you increase total-body flexibility, promote mobility and stability and develop core strength. This class focuses on technique, flexibility, balance, and strength by developing basic foundational exercises through easy to follow progressions. New users are encouraged to attend this class. All Levels Welcome!

Group Workout in the Weightroom: Have a safe and effective weight room workout with certified personal trainer Jennifer Peabody. Learn to use various types of equipment to get a whole body workout!

Vinyasa Yoga: mindful breathing, flowing poses, balance, stretching and relaxation. ALL LEVELS

Water Aerobics: also called Aqua Aerobics, use the natural resistance and buoyancy of water against your body to provide a wide variety of conditioning activity. No swimming is required in water aerobics, and flotation devices are used frequently. Water exercise helps increase your energy, stamina and strength

Zumba®: fuses INTERNATIONAL rhythms and moves to create Exercise in Disguise utilizing the naturally occurring intervals of the music. All levels are welcome!

Zumba GOLD®: is PERFECT for active older adults looking for a modified Zumba® class that recreates the original moves you love at a lower intensity.
