

Passport to Manhood

CYS YOUTH CENTER - 3102 MacArthur Road

Meets Every Friday at 4:15 p.m. in the CYS Youth Center

Passport to Manhood encourages boys age eight to fourteen to develop and mature into young men.

The mission of this group represents a targeted effort to engage young boys in discussions and activities that reinforce character, leadership and positive behavior.

Each participant receives a "passport" to underscore the notion that they are on a personal journey of maturation and growth.

Each of the program's fourteen sessions use interactive activities to focus on a specific aspect of character and manhood.

The program also includes a service project where boys learn the importance of giving back to the community.
