How to Use ADPAAS on a Mobile Device

U.S. Army Disaster Personnel Accountability and Assessment System (ADPAAS) standardizes a method for the Army to account, assess, manage, and monitor the recovery process for personnel and their families affected and/or scattered by a wide-spread catastrophic event.

1. Open internet browser and type https://adpaas.army.mil into address bar
2. The default username is AKO email address.
3. The password is a combination of your DOB and the last 4 of your SSN (YYYYMMDDXXXX)
4. Available only to Sponsors and personnel affected by an event
5. Cannot be used to update contact information apart from an event
6. Designed ONLY for iPhone, Android, and certain touch-screen BB phones (no iPad or non touch-screen phones)
