## Reflections in Bloom

### Paint & Sip Night

22 JANUARY  
1730 – 1930

\$47 PER PERSON

Sip, paint, and unwind as you welcome the new year with creativity. We'll create a serene water-lily scene filled with layered blues, soft greens, and gentle movement across the water. This class is perfect for beginners and experienced painters alike. You'll learn simple brush techniques, color blending, and layering skills while enjoying your favorite drink in a relaxed, social setting. No pressure, no perfection—just a chance to slow down, try something new, and leave with a finished painting you'll be proud of.

The Arts and Crafts Center Provides a canvas, paint, apron, and two drink tickets. Event is held at the Bowling Center – 2788 MacArthur Road.

Reservations must be made NLT the Wednesday before each paint night. Payment is due at the time of registration. Reserve seats for groups of five or more.
