Embrace the spirit of St. Patrick's Day with a touch of refinement — where emerald hues meet golden light, and every brush stroke feels a bit like finding treasure at the end of the rainbow. This St. Paddy's Day, we're painting the town green with Pint-Sized Paddy — our mischievous little leprechaun raising a frothy pint in celebration. Whether you're a seasoned artist or just here for the suds, this whimsical shamrock-filled masterpiece is easy, festive, and full of Irish cheer.

The Arts and Crafts Center Provides a canvas, paint, apron, and two drink tickets. Event is held at the Bowling Center — 2788 MacArthur Road.

Reservations must be made NLT the Wednesday before each paint night. Payment is due at the time of registration. Reserve seats for groups of five or more.
