5 Love Languages of Singles

FAP will be offering a 5 Love Languages of Singles workshop. Participants will experience a journey of discovery as we search for understanding regarding one of life's greatest challenges: How to fulfil our need to give and receive emotional love as singles! Please join us and/or invite others. Participants will walk away with tons of valuable information, develop effective communication skills, self-care pointers, and much more. Our next session will be held on June 17, 2021 at 1pm.
