2017 Summer Camp Fees and Payment Schedule Registration Process

Your child's summer camp slot is only guaranteed once payment has been made. Payments are due NLT 17:00 the Wednesday before camp starts. Camp payments may be made at sign-up to guarantee your child's slot in a specific camp week. Due to the popularity of the summer camp program it is imperative that you meet the payment deadlines below. Failure to meet the payment schedule for your weekly camp payments will result in your child's space being lost. Children cannot attend camp on Monday if payment was not made by Wednesday. The complete enrollment process (payment & forms completed) must be accomplished prior to the beginning of any session. If you miss your payment and still need care you will need to visit Parent Central Services to register your child for camp if space is available.
